MEMORANDUM FOR: Chief, Salary and Wage Division, Office of Personnel

SUBJECT : Transfer of Foreign Field Position to Headquarters and Reclassification of Second Position.

1. Recently a study of the activities and responsibilities of the Office of Special Activities Security Branch was conducted by a survey team from the Office of Security. One of the results of this study was a recommendation for an increase in the Branch of [REDACTED] positions consisting of [REDACTED]. The Deputy Director (Support) concurred in this recommendation.

2. As an initial step toward obtaining this much needed increase, we are requesting that position number 0291, GS-13 Security Officer, [REDACTED] be transferred to Headquarters. Our activities at this particular station have become such that the presence of a Security Officer is no longer required.

3. We would like also at this time to recommend that position number 0250, GS-13 Finance Officer, [REDACTED] be reclassified as a GS-9 Administrative Assistant. Again, because of the limited demands from this Station, a Finance Officer is not required. The need is instead for an Admin Assistant, one of whose duties would be the administration of an imprest fund.

4. Your immediate action on these two matters would be greatly appreciated.

JAMES A. CUNNINGHAM, JR.
Acting Assistant Director
(Special Activities)
